

Invest in the Future! Become a Partner in the ARMA International Educational Foundation *Evergreen Society*

**Make a meaningful *Evergreen Society* donation towards
your foundation, *your* research, *your* profession and
your future**

With a monthly pledge to the ARMA International Educational Foundation you show a commitment to the empowerment and the possibilities that knowledge brings.

Sustained support for the Foundation means support for educational excellence, research and scholarship to enhance our profession. Your *Evergreen Society* pledge also helps Records and Information professionals become more involved, and better informed citizens.

Even more importantly, your *Evergreen Society* pledge helps the Foundation increase its capacity to advocate for the greater good of the Records and Information Management profession and for society at large.

We've made it easy for you to contribute towards the future of records and information management.

- Your pledge of at least \$10 will be charged automatically every month to your credit card.
- Your donation is processed automatically near the same day of every month so you never have to renew - this means less hassle and paperwork for you.
- The *Evergreen Society* donation can be stopped at any time.
- Setting up your pledge takes only a few minutes and need only be done once. It's a gift that provides significant impact with very little effort!
